

# PowerLine Select+ USB-C to USB-C 2.0 Cable

## Amazing Strength

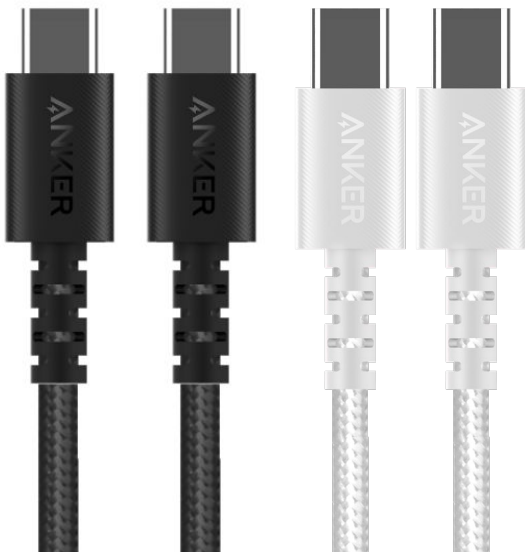

Exceptional tensile strength is provided by double nylon-braiding and precision laser welded connectors

## Staying Power

Survives a 15000 bending test, beating all competitors in the market

## Power Delivery

Support up to 60W of power transfer

15000+ Bend Lifespan

Fast Sync and Charge

Supports Power Delivery

Bend Lifespan	Cable Material	Connector	Power Transfer	Cable Lengths
15000+	Nylon	Plastic	20V = 3A	6ft
