

ULTRA-COMPACT 20W USB-C PORT CHARGER

High-Speed Charging

Equipped with a USB-C Power Delivery port and loaded with 18W of power to charge phones, tablets, and more up to 2.5x faster than with an original charger.

Unbelievably Small

The ultra-compact design is just 2cm thick, packing 20W of power into a package the size of a 5W iPhone charger.

Universal Compatibility

Anker's exclusive PowerIQ 3.0 technology supports a wide range of charging protocols to ensure flawless compatibility and optimized charging speeds for virtually any mobile device.

Highly-Integrated Technology

Anker's latest technology uses a stacked design with custom magnetic components to reduce size, boost efficiency, and improve heat dissipation.
