

Seamless collaboration starts here

Enable more collaborative and productive meetings with the Intel Unite® solution on Intel® Core™ vPro™ processor-based PCs.

EASY AND INTUITIVE USER EXPERIENCE

Intel Unite® is a simple, customizable wireless collaboration solution that enables users to start meetings quickly — no need for dongles, adaptors, or cables.

MORE SECURE AND MANAGEABLE¹

Content is seamlessly shared to meeting rooms and helps remote users and guests easily and more securely connect into sessions. Built-in manageability allows IT managers to remotely update software and troubleshoot, helping save time and costs.

OPEN PLATFORM FOR EASY INTEGRATION

Intel Unite® solution is an open platform, so it works with existing collaboration technologies and devices.

¹No computer system can be absolutely secure.
