OFFER DETAILS

- ▶ **Warranty Extensions** extend the term of the base warranty at the same service level, offering longer protection against unexpected repair or replacement costs. They are available for periods of up to five years for Think products and up to three years for Idea / Lenovo branded products.
- ▶ **Warranty Upgrades** enable customers to vary response time and level of service to match critical support needs. These options can be selected at the time of purchase or within the term of initial base warranty coverage. Depending on the initial base warranty of the system, service plans are available with the following service levels:

REPAIR AT LENOVO'S LOCATION

- ▶ **Mail-in** – Parts and labor repair coverage, where the customer is responsible for shipping (including packaging) to authorized warranty provider or repair center¹.
- ▶ **Carry-in** – Parts and labor repair coverage, where the customer is responsible for delivery to authorized warranty provider or repair center. After the product has been repaired or exchanged, it will be made available for collection at the designated Pick-up/Drop-off point (PUDO)¹.
- ▶ **Pick-up & Return Courier Service** – Parts and labor repair coverage, where shipping (including packaging) or delivery to the repair center is paid for by LenovoTM¹.
- ▶ **Expedited Pick-up & Return Courier Service³** – Parts and labor coverage with expedited turnaround ³ business days.

REPAIR AT CUSTOMER'S LOCATION

- ▶ **On-site** – Parts and labor repair coverage, where labor is provided on-site at the customer's place of business or home. If LenovoTM determines your product problem is covered by the product warranty and cannot be resolved over the telephone, a technician will be dispatched to arrive on-site, typically the next day².
- ▶ **On-site + Technical Install CRU (Customer Replaceable Unit parts)** – With a base warranty, installation of self-service CRUsTM is typically the customer's responsibility, however with technician-installed CRU service Lenovo's on-site service includes installation of all needed CRUs².

INTERNATIONAL WARRANTY

- ▶ **International Warranty Services** – International Warranty Services (IWS) enables customers who travel with or relocate any IWS eligible LenovoTM product to receive warranty service in any country where that product is sold and serviced. The duration is based upon the originating warranty duration. Included on Think and selected Lenovo / Idea products under the standard warranty terms and conditions⁴.
- ▶ **International Service Entitlement** – The international service entitlement upgrade is purchased in addition to one or more applicable optional services that extends coverage to outside of the user's home country. International service entitlement upgrades are applicable to the following LenovoTM services: Sealed Battery Warranty, Keep Your Drive, Accidental Damage Protection. The service level will be provided at the same level as the user's home country or closest service level available in the outside country⁴.

OTHER WARRANTY UPGRADES

- ▶ **Premier Support** – LenovoTM Premier Support connects your organization directly with Lenovo's advanced technicians, who will provide hardware and software support with unscripted trouble-shooting, end-to-end case and relationship management, and prioritized parts and labor response when required¹.
