## Key features:

The sharp HD+ screen and HDR camera supported by front and rear flash captures what's most important to you. The snappy octa-core processor, 4G and long-lasting battery will keep you connected all day. Android™ 11 (Go edition) saves data and storage and offers better privacy and usability. All of it wrapped in a Nordic-designed case that's gone through tough tests to ensure it's built to last.

## Crystal clear and longer lasting.

The HD+ screen makes video calling friends and family feel even more real. It lets you immerse in your favorite shows with crystal clear sharpness. Thanks to all-day battery<sup>1</sup>, you will have enough power to do both.

## Tested, tested, tested. Then tested again.

Tested against bending, twisting, heat and humidity. Then tested again for durability and force test performance and more to ensure it can handle everything life throws at it.

## Never miss that special moment – day or night.

Family life is all about magical moments. Fortunately, with an HDR camera and flash on both sides, the Nokia C01 Plus is ready to capture it all.

## A phone that keeps pace with your life.

Thanks to its speedy octa-core processor and 4G, things happen when you want them to. The days of waiting on apps or videos to load are gone.

## Speedy, safe and secure.

It's good knowing that what's important to you is safe and secure. The Nokia C01 Plus comes with secure Android 11 (Go edition) and the security of AI-powered face unlock.
