

Quick guide

Through its extensive channel network Eaton offers a range of warranties and service extensions for plug-and-play and hardwired UPSs up to 200kVA power range. The different options available mean you can choose the most beneficial method to safeguard your equipment performance and reliability.

Extended Warranties for new UPS/ePDU

Warranty+1

This service gives you a peace of mind for **1 year** in addition to the standard warranty of the product.

- During this period, the product is covered by a **standard exchange**
- Shipping costs covered by Eaton
- **Professional helpline**
- This offer covers both electronic parts and batteries Warranty cover both electronics and batteries (batteries are covered only for failures, not reduced autonomy)

Warranty+3

This service gives you a peace of mind for **3 years** in addition to the standard warranty of the product.

- During this period, the product is covered by a **standard exchange**
- Shipping costs covered by Eaton
- This offer covers both **electronic parts and batteries***
- **Professional helpline**

Services for running UPS/ePDU

Extend

This service gives peace of mind for **one additional year** after warranty period expiration:

- **UPS/ePDU standard exchange** on site
- **Professional helpline**
- Fast and efficient service wherever you are located
- Covers electronic parts and batteries*

Battery+

This service provides the correct batteries for your UPS:

- Up to 3 KVA
- **High-speed efficient service** regardless of site location
- **Standard replacement of old batteries**
- Installation instructions for new batteries
- Safety instructions concerning handling of the batteries

Warranty Advance

This service provides customers with a higher service level compared to a standard warranty for 3 years:

- **1 on-site intervention** (in case of breakdown) during the first 2 years, simply by contacting the call centre in your country
- **1 maintenance visit** in the last year (In case no intervention due to a break down was necessary before the third year)
- Technical updates
- 25% of discount on spare parts and batteries during 2nd and 3rd year
- A **professional, customised helpline** at your service
- **Emergency response** (travel to site within 8 hours)*

* During normal working hours (in the country where the UPS is installed), excluding public holidays, Saturdays and Sundays.

Eaton Extended Warranties can be bought only during standard warranty or extended warranty period.

Intervention

This distributed service provides an **Eaton technician** for UPS commissioning or a preventive maintenance visit:

- **Professional helpline** to offer support and book intervention dates
- Intervention service can be bought from Eaton resellers at any time during the life of your UPS
- This offer is not intended to be used as a repair service in case of UPS failure

Easy Battery+

This is a service product which is offering Eaton final customers a complete batteries tray to exchange their batteries. The whole batteries exchange process will be therefore much **quicker and safer** than swapping batteries one by one.

Register/activate your service product: www.eaton.eu/registration

EATON

Powering Business Worldwide

* Normal battery aging and « recommend battery replacement» message visible on the display do not imply batteries' faults and therefore are not covered by the warranty
