

Selling Education Solutions? *Not Without Tripp Lite!*

Let Tripp Lite products help complete your sale!

Don't stop short—increase your sales and margin by attaching Tripp Lite. Use the probing questions below to determine what your customers need to complete their education technology purchase with one trusted source.

Attach Display Mounts / Rolling TV Carts

- How many displays do you have?
- What is the size/weight/VESA pattern of the display?
- Where, and how, will the displays be mounted? (Tilt, full-motion, swivel options)
- Does your display require mobile deployment? (Rolling TV/monitor carts)

Attach Power Protection – UPS/Surge

- What equipment is being protected?
- Is battery backup power needed for brownouts and blackouts?
- How many outlets are needed?
- Are any additional features required? (Tel/DSL/Ethernet/coaxial protection, USB charging)

Attach Charging Stations

- Is high-speed charging needed for large numbers of laptops and/or tablets?
- Is batch-syncing required for device updates?
- Do devices require secure storage?
- Is mobility needed for deployment to multiple locations?

Attach Connectivity

- What input type does the monitor require?
- What input type does the source (computer, DVD player) require?
- Are adapters needed for varying connectors/outputs?
- How far is the transmission distance? (Booster required over 50 ft.)
- Do you need to switch between displays, or split between multiple sources?
