

Designed for productivity,
built for mobility

Satellite Pro ET10-G-106

Work and learn wherever you are, with the 10.1" Satellite Pro ET10. Slim, light and easy to carry, the full-sized keyboard and functional clickpad is ideal for getting work done or chatting with friends, while the tablet mode enables easy browsing and sharing. With an IPS touch display that offers HD resolution the E10 will deliver stunning definition for presentations, projects, pictures and more. With the ability to switch between a laptop and a tablet throughout the day at the press of a button – the ET10 really does provide the best of both worlds.
