Landscape/Portrait Kiosk

FITS MOST 15", 22", OR 32" DISPLAYS

Experience the elegance of Peerless-AV's new indoor Kiosk, designed to support the latest digital signage displays in either landscape or portrait orientation. With a flat base that can be free standing or bolted to the ground, the kiosk allows for quick access to electric and data cables, making it easy to install and maintain. For theft protection, the kiosk features hex pin screw locks on the rear door. From entertaining to wayfinding, this new kiosk is an ideal solution for any indoor application setting, including hospitality, retail, corporate, and more.

- Designed, manufactured and assembled in the USA
- A wide range of custom aesthetic options also available; options include custom color finishes, vinyl logos, wraps, etc.
- Stand-alone or fully integrated with display, audio components, media player and input components
- Tested to UL safety standards and pending official certification
- Kiosk design and component specifications subject to change without notice
