# RHOBUS®

*Rhubus Trolley with twin screens and wide glass shelf*

*Rhubus Stand with 46inch screen, VCM and glass shelf*

- \* Premium boardroom quality
- \* Piano black and other finishes
- \* Wide choice of screen options
- \* Discreet cable management
- \* Lockable housing for codec etc
- \* Supplied with castors & static feet

With its clean lines and piano black finish the new Rhobus range of stands and trolleys answers all the needs of the corporate user – from boardroom to exhibition venue.

Choose from the simple but elegant single screen version through to multi screen units to support the very latest and best in video conferencing. Ample capacity is provided within the central mast for cabling, codec and other systems, all accessible through a locking door. Built in power socket comes as standard.

Blade style camera mounts give the option to position screens close together or opened to give separate space for the camera. Use of the optional centre infill panel provides a neat finish.

## An abundance of practical features

Swap from twin wheel castors to static feet as required

Blade style camera mount allows choice of camera & screen configurations

Simple to configure for single, twin or triple screens – edge to edge micro adjustment as standard for multi screens

4-way power socket, generous cable management & equipment space

Drop down locking door allows easy access & provides neat appearance

Rhubus Trolley with triple portrait screens

Rhubus Trolley with 80inch screen & wide glass shelf
