

# Wall-Mounted Computer Workstation - Single Monitor - Premium

Product ID: WALLSTSI1

Increase your productivity, with a workstation that fits the way you work. Designed for a wide range of motion, this wall-mounted computer workstation is easily adjustable with independent arms for your monitor and keyboard.

# **Data Sheet**

# **Free Up Space**

Move the wall-mounted sit-stand desk into position to work. Then push it back against the wall when not in use, folding the arms close to the wall. It's perfect for use in hospitals, clinics, warehouses, and other space-limited areas.

### **Optimum Viewing**

Extend the articulating monitor arm up to 25.6" (65 cm) from the wall. For ideal positioning, tilt or swivel your monitor, or rotate 360 degrees. The sit-stand workstation supports a VESA mount (75x75, 100x100) monitor up to 30", with a maximum weight of 19.8 lb. (9 kg).

# **Convenient Height Adjustment**

This wall-mounted height-adjustable desk enables a wide range of users to work in comfort. Adjust the height of both arms along the pole up to 17.5" (44.5 cm), plus the spring monitor arm has a height adjustment range of 10.6" (27 cm).

# Adjustable Keyboard Tray

Place your keyboard where you need it, with an independent keyboard tray that extends up to 30.9" (78.4 cm) from the wall. Tilt the keyboard back to make sure your wrists are in a neutral position while typing. Place your mouse in the holder when not in use.

### **Easy Installation**

The modular design, with quick slide-and-click connections, makes installation easy and saves time when setting up multiple units.

The TAA compliant WALLSTSI1 is backed by a StarTech.com 2-year warranty and free lifetime technical support.

# Certifications, Reports and Compatibility

#### Applications

- Ideal for use in medical, retail, warehouses and other spaceconstrained areas
- Works well in areas where many users need easy computer access
- A flexible solution for a wide range of users of various heights

#### Features

- Compact wall-mounted computer workstation, with spring arm to adjust your monitor height with ease
- Work in comfort with independent arms for your monitor (up to 30") and keyboard
- Extend the articulating monitor arm up to 25.6" (65 cm) from the wall, and keyboard tray up to 30.9" (78.4 cm)
- Save space by folding the workstation close to the wall (monitor arm within 4.75", and keyboard tray within 3.5" of wall)
- Optimize your viewing with tilt, swivel and rotate plus height adjustment along the pole
