

Single-Module Conference Table Connectivity Box

Product ID: BEZ4MOD

Looking for connectivity right at your fingertips in a boardroom, huddle space, or classroom? The conference-table connectivity box is a customizable solution that lets you design unique connectivity applications.

Customize to Your Exact Needs

Combine any StarTech.com (sold separately) with the single-module architectural connectivity box, to provide a solution that meets the exact needs of your space. Each module is interchangeable and provides easy-to-use solutions for connecting laptops and other devices.

StarTech.com module solutions can:

- Add AC power and USB outlets for charging your devices (MOD4POWERNA)
- Dock your laptop with boardroom peripherals, webcams, speakers, mics, and displays (MOD4DOCKACPD)
- Connect in-room A/V equipment to laptops, Chromebook notebooks, and 2-in-1 laptops (MOD4AVHD, MOD4AVHDBT)
- Declutter your space with cable organizers (MOD4CABLEH)

Easy, Stylish and Clean Installation

Design a practical and stylish solution that impresses your visitors and facilitates their needs. The connectivity box is easy to install in a table, desk or lectern, and features a black aluminum finish that complements your table and your peripherals.

BEZ4MOD is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Data Sheet

Certifications, Reports and Compatibility

Applications

- Combine with StarTech.com connectivity modules
- Create a customizable connectivity solution
- Build a conference-calling solution in your boardroom
- Ideal for boardrooms, classrooms, test benches, huddles spaces

Features

- Customize connectivity in a boardroom by adding a module of your choice to this architectural connectivity table box
- Turn your conference table into a charging station, a docking station, or an A/V solution for adding displays to your laptop
- Centralize your A/V, power, and docking ports, in a location that's easy to access
- Clear boardroom clutter with concealed in-table installation
- Easily access boardroom devices and set up conference calls using applications such as Skype for Business, with the docking station module

Hard-to-find made easy*
