If you don't know about the latest trends, how can you act on them? Explore monthly updates covering everything from sustainability to cyber security and the tech solutions powering new waves of innovation.

Let's talk sustainability

Welcome to your Great Insights update. This month, our focus is on sustainability. We're on a mission to help us, you and your customers on the journey to a more sustainable future.

So let's navigate this road together and provide a sustainable world for everyone. Exertis are here to make your life easier.

'Our goal for this team is to prioritise looking after our planet today and for future generations, while ensuring Exertis remains one of the UK's largest technology distribution and specialist service providers'.

Barry Robinson | Head of Sustainability

exertis | SUSTAINABILITY

Lenovo

Let's plant 1000 trees

Lenovo has great plans for long term sustainability however, to make a more immediate impact, we've worked together to plant 1000 trees.
